Good morning and thank you very much for reaching out about my request. Yes, I can increase the fee limit to \$75.00. And no need to process private email addresses, etc; I'll happily exclude from scope of request.

Again thank you.

Best,  
Allan

Dear Mr. Blutstein:

This is regarding your FOIA request for "any email sent by Michael J. Mikulka (Chicago) on March 28, 2017 that mentions or refers to: (1) President Trump, or (2) the 'Clean Power' plan."

At your earliest convenience, please reply to [r5foia@epa.gov](mailto:r5foia@epa.gov) let us know:

1) May we increase the fee limit to \$75.00? We are currently reviewing the records are have nearly exhausted the current \$25.00 fee limit.

2) The records may contain personal contact information such as private email addresses, residential addresses, and cell phone numbers. Are you interested in this information? If not, we will redact it as nonresponsive to your request. If you are interested in it, then it may be subject to FOIA exemptions and we may require more time and money to process your request.

Thanks,
